

PL410 Rental 22"

The perfect rental aerator! Easy for homeowners to operate, incredibly low cost to maintain, so compact that it stores economically and transports even in many automobiles and SUVs. Storage/transport dimensions are an incredible 22" width, 22" height and 37" length. Given these features, you'll be surprised that the RENTAL produces aeration results similar to machines twice its size and cost.

PL410 RENTAL was designed specifically for the rental market and will provide an excellent ROI and unparalleled rental customer satisfaction, making them repeat customers.

Each pass will aerate a 22" effective width with an approximate 3.63" x 6" core spacing up to 2.75" deep.

When size and performance matter, Plugr PL410 RENTAL will give you both at a cost that will get your attention.
