

Service Kits

Save money and make sure your PlugR is always ready for action with service kits that include the most common replacement parts for your PlugR aerators. Each kit includes all needed replacement belts, a complete set of replacement tines and a tube of factory recommended lubrication.

PL400SK	Service Kit for PlugR PL400
PL410SK	Service Kit for PlugR PL410
PL800SK	Service Kit for PlugR PL800/PL830
PL855SK	Service Kit for PlugR PL855

PL800SK Service Kit for PlugR PL800/PL830

Optional Tines

In certain applications, other tine sizes and styles are required. SourceOne Outdoor Power Equipment offers optional 3/8" hollow, 3/8" and 7/8" solid spike or 1 1/2" zoysia transfer tines for all walk-behind PlugR aerators to satisfy every turf condition and need. Standard 5/8" hollow replacement tines are also available.

Extended Warranties

Extend your standard SourceOne warranty for one full year by adding our PL12EW 12-Month Extended Outdoor Power Equipment Warranty to any SourceOne walk behind power aerator, dethatcher or renovator. Just like our standard two-year warranty, this extended warranty covers all manufacturer defects including materials and workmanship and excludes components that

are commonly considered consumables such as aerator tines, knife blades and belts for an additional one year. The warranty on cables, chains, wheels and bearings that have a standard one-year warranty are extended to two years. All engines are covered by the engine manufacturer.

Marketing Aids

Get the most out of your sales and marketing efforts with SourceOne Outdoor Power Equipment's quality array of marketing aids.
